This Bible reading plan offers a basic outline of the Old and New Testaments, then fills in readings with more detailed books. You will read the entire Bible!

The Old Testament follows a historical overview, then moves to the prophetic literature, followed by the wisdom literature, & Psalms (some twice).

The New Testament begins with Christ's birth, then moves into Acts (Luke's sequel), followed by Ephesians (Paul's teachings), the pastoral epistles, and so on. God's blessings as you dig deep into His Word!
