

Many people have never read the Bible cover to cover. This 90-Day Bible Reading Plan will help you attentively read through the entire Bible.

This is not a competition with yourself just so you can say you've done it. You WILL see God move in ways you haven't before if you do this and listen. Even if you catch only a small portion of what the Bible says in each reading, you will catch what He wants you to hear at this time.

Pray each time you read to hear what God wants you to hear and be able to let the rest go. This is not a Bible study. This is Bible reading. Absorb what you can. Listen. He will help you.

Setting a goal is important because each day's reading takes an average of 45-60 minutes. Since our listening can easily be distracted, commit to actually reading a Bible rather than audio.

Take your Bible everywhere!

You're on an important mission, so grab additional reading time whenever possible: waiting to meet friends, waiting for the oven to pre-heat, waiting in your child's school car pick-up line, arrive at church early and read before worship. Even 10 minute increments help.

Print this out, fold in half, and use this handy checklist to watch your progress, using it as a bookmark to easily find where you left off. If you fall behind, set a realistic goal to get caught up and DIG IN!

I pray that God **richly** blesses you through this process. His Word is living and active and will **transform your life** through the power of the Holy Spirit.

Blessings on your journey,
Donna
