

Our second full year as a non-profit was amazing thanks to YOU.

As God called me out of the legal world into full-time ministry, that leap of faith was both exhilarating and scary. Like a Peter-stepping-out-of-the-boat moment. It has been a dream come true that God ignited in my soul fourteen years ago as I prayed facedown in the Garden of Gethsemane.

Here we are two years since obtaining non-profit status, and God has blown apart my tentative expectations. He has proven Himself faithful time and again. I asked Him for a passionate, Jesus-loving Board to responsibly guide this ministry with vision and prayer. God knocked it out of the ballpark. We laid one request after another at His feet in faith and watched Him make holy touchdowns with two point conversions.

Then we asked God for fellow visionary, passionate Jesus-followers to partner with us, and He brought us **YOU**. Your faith-filled prayers and financial support exceeded our expectations in every single way. THANK YOU. Let me show you what He accomplished in 2023 through your prayers and generosity.

Another Installment of Scripture from Scratch

Your generosity made this new resource possible. We launched *"Scripture from Scratch"* last year to rave reviews. We began with the one-page study outlines for the Gospels. This year, we will be adding one-page study outlines for the entire New Testament. Outlines for the Old Testament are in the works. We appreciate your prayers and continued support as we offer these free resources here: ArtesianMinistries.org/free

New for 2024: Daily Devotions on Facebook

For many years, people have asked me to write daily devotions. It is happening this year! The blessing of full-time ministry is the time to pray through and write this devotional series. Just "like" the Artesian Ministries' Facebook page to receive them in your daily newsfeed. Praise God!

Thank you for your generosity as we partner to share the Gospel and promote biblical literacy.
YOU are making an impact for the Kingdom of God.
